Microsoft OfficeSuite

Professional Skills

Time management

Ability to meet deadlines

Creative problem solving

Presentation skills

Verbal and written communication skills

Adaptability to changing project requirements

Willingness to receive and implement feedback

Ability to handle multiple tasks simultaneously

Strong sense of storytelling through animation

Witch Animation - Individual Project

- Worked on an animation of a witch dancing to music while mixing potions.
- The focus for this project was on special effects while also timing the animation to the music.

Fight Scene - Individual Project

- The focus for this project was on interesting camera angles and body movements.
- This required multiple studies on sword fighting to learn how to coordinate it.
